THE PRESIDENT'S MESSAGE

In behalf of the University I am happy to extend greetings and welcome to the returning students and to those who are entering Stetson for the first time. Old students know well the traditions, ideals, and spirit of John B. Stetson University. New students will soon find that the traditions are worthy, the ideals high and noble, the spirit democratic and helpful. The student body is eager to make every new student feel at home and love Stetson. The scholarly Faculty and the Administration offer complete cooperation and help in solving all problems that may arise. The key words of the institution are scholarship, culture, Christian character. We hope that each student will enter into the life and spirit of the University and that each day will be joyful and beneficial. Again I extend welcome to each.

Sincerely,

W. S. ALLEN,
President.

GRFETINGS FROM THE DEAN OF MEN

To all returning men: Welcome! to our "second" home for the ensuing year with its opportunities for study and maturing character. You have done much these last years to keep pace with and lend encouragement to a greater Stetson University. Because of you we have a challenging and worthy college community. I am sure that you join me in greeting the men of the entering class.

To the new men: Stetson University is more than the beautiful campus, the improved library and the various material objects which you will come to revere and cherish. A true university has a deep, underlying, all-pervading spirit which imbues her with a personality and a distinctiveness which is felt at first and later becomes a part of those who are worthy to receive her endowments and share her glories. Each fellow student will be glad to do all in his power to make your college career yield a rich fruitage of increasing knowledge, true friendships, understanding and appreciation of our fellows of varying race and creed, noble character and wisdom.

The faculty, the superintendents of the dormitories, and the fraternity officers will be glad to answer your questions. Our generation is well aware of the dangers of faulty tire construction. We have learned to move and act quickly because we take precautions against mechanical blow-outs. We expect that you will guard yourself against a mental or moral "flunk-out." I commend you to the challenge of a Christian col-

lege.

Let us get acquainted. Come in and let us talk.

Sincerely,

R. Crawford Cotner,
Dean of Men.

WOMAN'S ATHLETIC ASSOCIATION

W. A. A.

Any young woman in the University may belong to the Women's Athletic Association. This organization is primarily interested in sports for women, but it also offers opportunity for all-round development. The meetings are held every two weeks. The main project for the year will be to start a swimming pool fund.

The W. A. A. sponsors intramural competition encouraging the participation of the many rather than the few. Points may be earned toward the college letter; when 500 points have been earned a letter "S" will be given. These points are cumulative from year to year. The girl making the greatest number of points during one year will receive an additional award. When a person "letters" the second, third, or fourth years service stripes will be given. A four year letter-girl will receive a sweater. At the end of each year the best girl athlete has her name inscribed on a bronze loving cup.

Intramural competition is held between teams composed of dormitory girls, sorority girls, and town girls. Tournaments are held in the following activities: tennis, archery, golf, basketball, diamond ball, volleyball, badminton, ping-pong, hockey, and soccer. Perpetual team trophies are awarded each year.

In addition to the tournaments there are other activities including breakfast hikes, over-night camping parties, beach parties, and moonlight horseback rides. Each year the W. A. A. sponsors a "Play Day" for the girls of several Florida high

schools; this past year it took the form of a rodeo. The Rollins College girls and the Stetson girls also have a "Play Day" in the spring. This year Stetson W. A. A. will be hostess to the Rollins' Athletic Association. Another event in the spring is the annual horseshow; the winner each year is awarded the Grafton Pine Horsemanship Thophy.

THE LITTLE THEATRE

SCHOOL OF MUSIC

THE LIBRARY

THE LITTLE THEATRE

Outstanding events of the school year are the dramatic productions presented in the Stetson Little Theatre under the supervision and direction of the members of the Speech faculty.

Students in all departments of the University are invited to participate in the Dramatic activities. Every phase or aspect of play production is open to those interested in educational dramatics.

New students are given the opportunity to demonstrate their abilities by taking part in the one-act plays presented in the Work Shop. The best performers are rewarded by being cast with the Stetson Players in the long plays.

The cherished honor for the participation in dramatics is membership in Theta Alpha Phi. Members are selected from the Junior and Senior classes, with outstanding achievement in the Little Theatre productions, and scholarship, as pre-requisites.

SCHOOL OF MUSIC

The School of Music occupies the building known as DeLand Hall and is located on the N. E. Corner of the Boulevard and Minnesota Avenue.

The purpose of the School of Music is twofold:

1. To prepare students for the profession as performer or teacher.

2. To give Stetson students the opportunity to develop the cultural side of life.

Stetson Music School is accredited by the National Association of Music Schools and offers Courses leading to the degrees of Bachelor of Music and Bachelor of Arts with music Major. See University Bulletin, P. 102.

Students may use Music as "electives" in the College of Liberal Arts. See University bulletin P. 100.

Classification of Students

For classification of students see University bulletin p. 101.

Special students taking but one lesson a week are not eligible for the regular examination, and receive no credit.

Regulations

Rules governing class attendance are the same in the School of Music as given for the College of Liberal Arts. See University bulletin p. 34

Students majoring in music must attend all recitals. Failures to do so will be marked the same as an absence from a practice period.

Students must practice at the time and in the room assigned to them in order to receive credit. Nine cuts mean the loss of one quality point. To be tardy when practice hours are checked is to be marked absent.

For further regulations consult Music bulletin p. 10.

Organizations and Fraternities

The Stetson Glee Club is a singing organization of eighty voices. Each year it appears in concert in the principal cities in Florida. All students of the University are eligible to try out for this organization.

The Stetson Band is well known throughout the state. It is made up of sixty pieces, and is one of the most outstanding organizations of which the University boasts. The uniformed band accompanies the football team to all nearby games.

The Stetson Orchestra, a complete symphony, is featured each year in con-

certs in the principal cities of the state. Radio programs have been added to the activities. A series of six symphonic programs, planned each to feature a full symphony from recognized concert repertoire, is given each year under the auspices of the DeLand Symphony Association.

Kappa Kappa Psi and Phi Beta Fraternities, see University bulletin p. 27.

Students Majoring in Music or those wishing to take private lessons should consult Dr. W. E. Duckwitz, director.

THE LIBRARY

The library, as a depository of human knowledge, culture, and experience in printed form, serves as a general laboratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both course work and recreational reading. The staff is available at all times and will gladly assist any student in locating and using library material.

The library is open from 7:45 A.M. to 10:00 P.M. Monday through Friday, and from 7:45 A.M. to 5:00 P.M. on Saturday. Any change of these hours is anounced ahead of time.

Most books may be withrawn for home use for two weeks and, if necessary, may be renewed once for the same length of time. Reserved books, reference books (each reference book is marked with a symbol "REF."), **bound periodicals** and certain rare and expensive books may not be used outside the library building except with special permission. The date the book is due back

at the library is always indicated when it is charged. The penalty for failure to return a two-weeks book on time is 5c per day or fraction. Books may be recalled by the librarian at any time; disregarding a recall notice will entail a 25c fine.

Reserved books may be used in the library at any time. When there is great demand for a reserved book it may be used by the student for a period of one hour only. Reserved books may be withdrawn for home use after 9:00 P.M. (Saturday, 4:00 P.M.) and must be returned before 8:30 A.M. the next morning the library is open. A fine of 25c for the first hour and 10c for each additional hour or fraction, will be charged when a reserved book is returned late.

Reserved books may be obtained by an oral request (author and title) at the loan desk. Other books may be obtained by presenting a written request on a call slip.

All books except reference books are shelved in closed stacks by a classification system; the call number must be used on call slips in order to obtain a book. These numbers may be determined by the use of the catalog. In the catalog books are listed alphabetically under authors' surnames, the first word in the title, and the subject of which it treats. The library staff stands ready at all times to aid students in the use of the catalogue.

Magazines and public documents (publications of state and federal governments) may not be used outside the library.

Since the library is the place for reference study and reading, noise and confusion must be held to a minimum. For this reason study groups cannot be per-

mitted. Mutilation and defacing library property is considered a most serious offense. The library is administered for the best service to all students and faculty members and each individual's cooperation will help to render this service more efficient.

GENERAL INFORMATION

CLASS ATTENDANCE

Regulations concerning class attendance.

1. Excuses for absences will be granted on such grounds as the Administration sees fit to allow. However, no absences beyond ten per cent. of the number of semester recitations can be excused. In all cases of unexcused absences one quality point will be subtracted for the first five absences from classes and chapel; and one quality point for each three succeeding absences. Excuses must be submitted in writing to the office of the Registrar by the Monday following the absence.

2. Students are required to attend each three-hour class 41 times and each two-hour class 27 times to receive credit. To receive full credit for a course the student must be enrolled in the class within the time set forth in the University Calendar.

3. Any student who is absent from five consecutive classes without excuse or who drops a course without permission of the Dean will by such action forfeit his college standing. After notification by the teacher, the Dean will inform the student that he is dropped from the University and that he may be re-instated only by permission of the Dean and upon satisfactory re-classification.

Attention is called to the importance of entering at the opening of the semester when the instruction in the various classes begins. Students entering classes after the introductory work is done, do so at a decided disadvantage.

INFORMATION REGARDING EXCUSES

Excuses for all absences must be filed in writing in the Registrar's office by the Monday following the absence. When students are ill in the University infirmaries their excuses are taken care of by the nurses, provided the student signs the excuse blank before leaving the infirmary. Students living with parents or guardians must have excuses signed by them.

In addition to the above, students living in town, not with parents or guardians, must, on the day of their absence, notify the Registrar's office either by telephone or in writing. All notices must be marked "Notice." No other form of notice will be accepted.

When students go away on business for the University or are called away because of illness or for some other reason, they should make arrangements for such absences before leaving the University through the Dean of Women, the Dean of Men, the Dean of the University, or the Registrar.

If an excuse is not handed in on time it will not be accepted.

All excuses must be written on paper 8½ in. by 11½ in. in size.

SCHOLARSHIP HONORS

who carry a minimum of fourteen (14) semester hours (in the case of Law students, full time work) are eligible to be placed on the list: to qualify, undergraduates must make no grade below B; graduates A.

THE DEAN'S LIST. Students of junior and senior standing who carry a minimum of fourteen semester hours (in the case of Law stuents, full time work) and make an average of B plus (i.e., 2.5 quality point average), with no grade below B, during any semester, and graduate students who carry a minimum of fourteen semester hours and make all A's during any semester, shall, during the succeeding semester, be placed on the Dean's List and shall have the privilege of being absent from each of their classes ten per cent of the number of times the class meets without rendering an excuse. Such students of course are allowed no additional absences.

GRADUATION HONORS. A student who has been in residence in the University for at least two years and who has earned a 2.5 quality point average shall be graduated "Cum Laude" (with honor); a student who has been in residence in the University for at least two years and who has earned a 2.8 quality point average shall be graduated "Magna Cum Laude" (with great honor). To secure the quality point average divide the number of quality points earned by the number of semester hours earned.

CHANGE OF CLASS WORK

No change of classes may be made after the first two weeks of the semester

without a failure in the course dropped. During the first two weeks classes may be changed provided the student secures the approval of the Dean and pays a fee of one dollar.

A student who drops a course without permission of the Dean will by such action sever his connection with the University.

WITHDRAWAL FROM UNIVERSITY

Permission to withdraw from the University shall not be granted except for ill-health, or inability to pursue college duties, or some unavoidable necessity, or upon the written request of parent or guardian. In case of serious illness, the University always notifies the students parents.

STETSON'S ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples.
Hail, Alma Mater dear!

Hail to the heroes who have gone before us.
Young men and maidens, filled with true devotion!
Bright is their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus;
Long live our comrades dear!

Dear Alma Mater, tenderly thy children

Comrades, your voices lift once again in chorus,
Hail Alma Mater dear!
